Dear Sir or Madam,

On 4th of March 2016 Femern A/S has presented the preferred bidding consortia for the Fehmarnbelt Tunnel. Thus, the companies building the tunnel are finally known. Additionally, Banedanmark has contracted with MT Højgaard and M.J. Ericsson on enhancing the rail way line between Ringstedt and Nykøbing-Falster, starting in autumn 2016. Those large building projects offer great participation opportunities for local businesses. In order to connect these local businesses and the building contractors and entities as soon as possible, we would like to invite you to join the

**Fehmarn Link Business Conference
